2002 Self-Assessment Report on Internal Control

U.T. System's Action Plan to Enhance Internal Control requires "every department to perform an annual control self-assessment and to issue a self-assessment report on internal control to its Vice President."

SECTION 1

EXAMPLE

Budget Authority:

Select Administrative Officer that you report to:

Created: 03/25/2003

EXAMPLE maintains a system of internal control that is designed to provide reasonable assurance regarding the achievement of objectives in the following categories:

- Effectiveness and efficiency of operations (including the safeguarding of assets against unauthorized acquisition, use, or disposition),
- Reliability of financial information, and
- Compliance with applicable laws and regulations.

EXAMPLE has self-assessed its system of internal control as of August 31, 2002 in relation to criteria in U.T. Tyler's Management Responsibilities Handbook. Based upon the department's self-assessment, [except for matters noted below,] it is my opinion that, as of August 31, 2002 the department's system of internal control is adequately designed, properly executed, and effective.
